Washington, June 27 .- The following is a copy of the correspondence (conducted by telegraph) between the Secretary of the Pressury and the Collector of Customs, in

regard to pauper immigration: New York, June 26, 1883. To the Hon. Charles J. Folger, Secretary of the The mountain districts of this State and of North Carolina will shortly be covered with railroads for the development of the indicate of interesting and iron fields.

The Gommissioners of Immigration notify me of the arrival here, by the steamer Furnessia (after they are isneed), of sixty-six families from ireland. The Commissioners do not certify in the language of law that he immigrants are unable to take care of themselves; but they are from poorhouses, their passage paid by the British government, and nearly all heads of families fortished with drefts for small amounts. The persons having been sanded, please instruct me what action, if any, I shall take under the law. The immitted by the Commissioners.

W. H. ROBERTSON, Collector.

FOLGER'S ANSWER TREASURY DEPARTMENT, | WASHINGTON, June 26, 1883. To the Collector of Customs of New York:

To the Collector of Customs of New York:

Though it is inferable from the report of the
Commissioners that the immigrants spoken of in
your telegram to day are within the purview of
section 2, of the act of 1882, the section gives you
jurisdiction only when the Commissioners report
a conclusion, as well as the facts. Rafer the case
back to them for their judgment whether these
persons are unnuls to care for themselves without
to coming a public charge. If the Commissioners
report; affirmatively, but the persons back upon/the
vessel and do not permit them to land; if negatively, or if they decline to report a conclusion,
let the immigrants depart.

CHAS J. FOLGER Secretary. CHAS. J. FOLGER, Secretary.

THE HILL INVESTIGATION RECT CHARGES OF CORRUPTION ON THE PART OF THE SUPERVISING ARCHITECT. WASHINGTON, June 27.-J. M. Wilbur testified before the Hill Investigating Com-

stands the little game that Dana and Watterson are playing, but his bar'l has been headed up.

James W. Por, a popular speaker, who is as black as his name-sake's raven, is about starting on a lecturing tour through the South, to talk about "The Colored Vote in service of the Cincin and the law and told him they ought to have the presented the account to Hill lawes igating Commenting Country that he had an account against the government for work slone at the New Orleans and Northeastern and toe lease of the Cincinnati Southern. He is also seeking direct connection between his trans-Mississippr system. He is also seeking direct connection between his trans-Mississippr average and the Cincinnati Southern. He is also seeking direct connection between his trans-Mississippr average and the Cincinnati Southern. He is also seeking direct connection between his trans-Mississippr average and the cities of the lower Atlantic seaboard. If he has secured possession of both the Erlanger and the East Tennessee, Virginia and Subsequently the claim. did not assent, and subsequently the claim was disallowed. The matter was considered by Congress, and the Committee on Claims the latter to Meridian and from thence over THE Criminal Court judge of Davidson must a favorable report. On the hearing county will find some difficulty in getting a before the S-nate committee Hill appeared the New Orleans and Northeastern.

Upon cross-symmination, witness said the resson he did not make a record of the coarset on the did not make a record of the coarset on the did not make a record of the coarset on the did not make a record of the coarset of the line and the resson he did not make a record of the coarset of t cials here. Hill did not ask for ten per cent., but said he must have something, and introto Animals ought to lasso the Texas cowcatchers this morning and take them before
President Hadden, that he may make them
pay for their cruelties at Olympic Park yesterday.

The animals of Cannon, Simous and Johnson were then put
in evidence. They bore date of 1874, and
oue of the stipulations was to the effect that
in all contracts obtained from any of the deduced witness to Gannon, who indicated that

> The opinion of Assistant Secretary French, favorable to Wilbur's claim, was then put in evidence, walso the opinion of Secretary Sherman, which referred the matter to Congress

Witness said he called Hill's attention to the fact that Gannon was interested in con-tracts, and asked his diemissal, but nothing was done. Subsequently he reported the matter to Assistant Secretary of the Treasury McCormick, who, upon investigation, removed Gannon.

Gannon then took the stand for the defence, and swore that no proposition had been made by him for ten per cent, of Wilbur's claim for passing it. The firm he was con-nected with never had a contract with the

government while he was in the government employ. No reason was assigned for his dismits I from the department. The co-partnership of Simons, Johnson and Gannon was dissolved before Hill became Super-

Out of 200 persons summoned, out one juror has yet been secured; all others, naving formed an hand. Beyond maintaining the present stage countries in the case, were declared incomps fully upon us.

THE MISSISSIPPI. CONTINUED DECLINE AT ST. LOUIS-COUNTING THE COST. ST. Louis, June 27.—Word comes from East St. Louis this morning that the river continues to fall slowly, and in all that section of country west of the Chicago and Alton railroad track at Newport, Nameoki and Mitchell the water has fallen nearly, if not quits a foot, but in that part of the bottom east of the above named road, into which a steady stream is still pouring through the creviage near Nearnort it is sufficiently and will to night be delivered to be desired as the superior of the solic part of the sol St. Louis, June 27.-Word comes from crevasse, near Newport, the water is rising, and will continue to creep up until a common level is reached. Cabokia creek mon level is reached. Cahokia creek also continues to rise, and the water has reached the tracks amoing north from the relay deput, and between that point and the bridge at the junction. This can be quickly remedied, however, by building a levee along the eastern side of the tracks, which no doubt will be done at one, as these tracks are important for the passage of repair trains at work still further north. The work programe rapidly and well at the The work progresses rapidly and well at the break in the Chicago and Alton track near Newport, and Superintendent Bates is still confident he will have the trestle ready for the trains to cross this evening. A computation, based upon information derived from well informed sources, make the number of acres of farm land overflowed in three townships in Madi-son county 7000 sores. This land is covered with wheat, corn, oats and potatoes, which is reckoned at \$30 per acre, a rather low esti-

present rate of mashing, as agreed on some time since, twen y per cent, of capacity of each distillery, should be continued beyond July 1st, the date to which the agreement originally extended. The committee decided mate, making the actual loss to crops alone \$201,000. In that section of St. Clair county east and south of East Carondelet, so far as and pointons are under water. These crops are estimated to be worth \$40 per acre, giving an aggregate loss of \$216,000. These losses are in four townships, and comprise only a small part damaged to American bottom.

Night,—The river has fallen five inches today and the swarp and th Night.—The river has fallen five inches today, and the government gange now marks
thirty four feet four inches. The water in
Eust St. Louis is also declining quite satisfactorily, and the general feeling is that all
danger is over. It is not believed here that
the coming June rise will be heavy enough
to do any further damage, and no fears are factorily, and the general feeling is that all danger is over. It is not believed here that the coming June rise will be heavy enough to do sny further damage, and no fears are felt on that account. The water held in check by the Thoman dyke has fallen nine inches since yesterday, and work on the dyte is decontinued. Cabokia creek is subsiding slowly, and the water in the bottom north and east of this city is also declined the superior of the Relay depot, which were flooded to some extent list night and this morolog, are now feel. DR. E. D. WILSON, of Louisville, is visit ng the city.

to some extent last night and this morning, are now free from water, and are in full use again out to Venice. The Chicago and Alton trestle over the crevasse in that track, near Newport, was finished this afternoon, and all trains due here this evening from the North and from Kansas City came across it safely. The Chicago and Alton, Chicago, Burlington and Quincy, Indianapolis and St. Louis and Wabash trains for the Northeast passed over it to-night. This fully restores that the Chicago and Atton and Indianapolis and St. Louis, cannot be used until the water subsides several feet, but it will have the full benefit of the Chicago and Alton trestle until that time comes. No ited the Cotton Exchange yesterday. A RECEPTION, complimentary to Miss Lizzie Webb, of St. Louis, will be given at the State Female College to-morrow evening.

Miss Addie May Sale, who has been at school at Bethany College, W. Va, for three years past, has returned home to spend the Is mentioning the wedding gifts of Miss Maggie E. Daly in yesterday's APPEAL in-advertently the silver pickle stand of Mrs. Alton trestle until that time comes. No other tracks are now under water, and it will Jos. Flyng was omitted.

be but a few days until the time cheerfulness is resumed. T. J. Richardson, agent of
the Belt railway at Venice, has been elected

FORT WAYNE, IND., June 27 .- Fort Wayne Punished to the Full Extent of the PHILADELPHIA, June 27.—Dr. Isaac J. Hathaway, in the celler of whose residence the remains of many infants were found buries, was convicted of having performed a criminal surgical operation upon a servant-girl in April, 1881, and was sentenced to pay a fine of \$500 and undergo imprisonment for

even years, the fullest extent of the law. A BAD teste in the mouth means a bilious stack. Samaritan Nervine is the cure. "For thirieen years I had dyspepsis," wrote John Albright, of Columbus, O. "Samari-tan Nervine cured me." Druggists all keep

Ladies

Do you want a pure, blooming Complexion? If so, a few applications of Hagan's MAGNOLIA BALM will gratify you to your heart's con-tent. It does away with Sal-lowness, Redness, Pimples, Blotches, and all diseases and imperfections of the skin. It overcomes the flushed appearance of heat, fatigue and excitement. It makes a lady of THIRTY appear but TWEN-TY; and so natural, gradual. and perfect are its effects, that it is impossible to detect its application.

DEAR MR DOSSEY—I have just received your of the 3d instant, and have read with great interest your plan of action. I wrote on the interest your plan of action. I wrote on the first receipt of yours of the 29th, industry check for the amount you asked, \$6000, and on winclose check for the amount you asked, \$6000, and makes personal advances of \$60,000, without having collected a dollar from anyone. He said Mr. New must stop short unless Mr. Jewell could send thim \$10,000. I finally gave him a check for \$600 more to a sociation, met here to day. One of the main questions for settlement was whether the present rate of mashing, as agreed on some time since, tweny per cent, of capacity of set distillars. Trustee's Sale.

On THURSDAY, 28TH DAY OF JUNE, 1883, will sell, for each, to the highest bidder, once Sawmill, including one 40-horse-power stationary engine, one boiler, carriage and fixtures, same being near Cypress creek, on Monairy's land, Shelby county.
